from the date of delivery of the vehicle to you. (Dealer to check A, B, or C above.)
The Dealer will provide the full cost of parts and labor necessary to repair all covered defects. However, the Dealer may charge you up to a total of \$ _____ (Dealer to fill in an amount from \$0 to \$100) per vehicle for the repair of all covered defects during the warranty period.

The warranty period is extended one day for every day the vehicle is in the shop for repairs, and one mile for every mile the vehicle is driven between the dealer's acceptance of the vehicle for repair and its return to the consumer.

The warranty is extended for 30 days from the completion of any repair attempt for every defect that was the subject of the repair attempt.

The Dealer will give you a refund if a defect that impairs the safety or use of the vehicle continued to exist or recurred within the warranty period after either three repair attempts for the same defect or being out of service after being returned for repair of any defect or defects for a cumulative total of ten or more business days.

Defects that are covered by the manufacturer's warranty are not covered by this warranty if the Dealer gives you a copy of the manufacturer's warranty, that warranty has been assigned to you, and the Dealer assures that those defects are repaired.

This warranty is provided pursuant to M.G.L. c. 90 s. 7N1/4, the used vehicle warranty law. For further information about that law contact the Executive Office of Consumer Affairs and Business Regulation at (617) 973-8787
