Pre-Existing Problems

ULTRA prefers to not close on a vehicle until the vehicle has gone through our 21 point inspection process and the vehicle is 100% safe with all parts working in perfect condition. However, sometimes deals are made with clients and/or clients are in a rush to purchase a car and will request that we give them the car as is and as soon as possible.

Both Parties agree to that if the vehicle being sold is going to be given to the BUYER with a known problem, in order for ULTRA to be responsible to fix it, it must be written here:

Extended Warranties

Purchasing a vehicle is an important investment and like any other major investment, it should be protected. Investing in one of our Warranty Plans will assure you peace of mind down the road.

ULTRA warrants that most vehicles sold do qualify for an Extended Warranty for an additional fee. ULTRA warrants that is has its own Repair Facility open 5-6 days a week and a large portion of our Annual Revenue is Auto Repair. ULTRA warrants that is also in the business of selling warranties for profit.

The BUYER warrants that if he/she DECLINES an Extended Warranty he/she will not hold ULTRA liable for any claims other than the protection under the Massachusetts Used Vehicle Warranty Law.

Warning

ULTRA warrants that it can be a very high risk buying and selling Used Motor Vehicles especially with high miles. Sometimes people are selling their vehicle specifically because their vehicle may have a concealed existing problem.

Towing

The BUYER warrants that if any auto repair is needed on his/her vehicle whether or not it is under warranty through the Massachusetts Used Car Warranty Law or if it is covered under an Extended Warranty, he/she will NOT hold ULTRA responsible for any Tow Fees.

Rental Cars

The Buyer understands that ULTA is only a small Used Wholesale Car Dealer and is not responsible for providing rental cars to BUYERS. The BUYER warrants that if he/she would like to have a rental car in case of mechanical failure ULTRA is in the business of selling Protection Plans to BUYERS for this exact need.

Protection Plans

Protection Plans (Extended Warranties) are not always expensive. Some are only \$100-\$300. Some cover just engine and transmission. Some cover bumper to bumper including rental cars and hotel stay if you are out of town and experience a breakdown.

Here are a few options for your car:
